4

On the **Get Started: Register** page, the customer will enter their email address, EZ-Charge card number, last 6 of VIN, name and address.

5

The **Thank You** page will display each network that the customer selected in Step 3. They will need to enter their credit card information for EACH network chosen. **This information is required in order to complete the EZ-Charge card registration,** and is used should the customer incur any charges for overstay under the NCTC program.
