

SUSTAINABLE FOOD PURCHASES

(% of food spend)

● Residential

● Retail

Goal:

- 20% of foodservice spend will be from sustainable products by 2020.
- Certify at least one facility as a green business.

Progress:

- 2020 goal met for residential and retail
- UC San Diego retail sustainable food spend jumped dramatically this year due to increased participation and reporting from vendors.

Number of green certified businesses: 1
