In the community...

Sipz Fusion Café (5501 Clairemont Mesa Blvd., San Diego) – offers a range of 100% vegetarian Vietnamese, Thai, Chinese and Italian dishes; most appetizers and all desserts are vegan

Veg-N-Out (3442 30th St., San Diego) – serves burgers using unrefined sugar, olive oil, sea salt and only the most natural ingredients; staff prepare all dishes with YOUR health in mind. This small, locally owned and operated vegetarian/vegan restaurant is bursting with delicious and healthy foods that appeal to all.

Jyoti-Bihanga (3351 Adams Ave., San Diego) – owned and operated by students of spiritual master Sri Chinmoy, this vegetarian restaurant aspires to create a small corner of the world inundated with the spirituality and philosophy of their meditation

Evolution Fast Food (2965 5th Ave., San Diego) – drive-thru restaurant offering a healthy, delicious, vegetarian and vegan menu with NO animal ingredients, refined sweeteners, hi-fructose corn syrup, hydrogenated oils or artificial flavors

Loving Hut (1905 El Cajon Blvd. and 9928 Mira Mesa Blvd., San Diego) – offers gourmet cuisine made with 100% wholesome vegan ingredients, with an accessible entry point for those making the transition to a plant-based diet

Spread (2879 University Ave., San Diego) – serves only locally grown, organic ingredients, which support their belief in eating a predominantly vegetarian or vegan diet
